

Dear Family and Friends –

Merry Christmas! 2019 was a year of changes and challenges for us, and we are grateful in so many ways for so many things.

Perhaps the biggest news of the year was the engagement of Jon to Noelle Milnamow. We are excited for these guys and can't wait to hear the date of the planned wedding. On that same front, Doxie the rescue dog was added to their family of cats. News at eleven.

Greg, Hingham, MA, started a new job as a paraprofessional at Hingham Middle School, following a sixth grade boy around to his classes. He still plays and sings a good bit and we love to hear his music. You should give it a listen. (Greg Whitney: Spotify and Bandcamp) Greg also finished his first marathon in Tulsa, OK!

Nancy went through knee replacement surgery this past May and the recovery was brutal. Things didn't go exactly to plan, so a second knee replacement was put on hold for the time being. She is in great spirits right now, however, having successfully completed her ninth musical at MCN, which brings her lifetime total to

67,892. How she could do all that choreography on the fake knee is a puzzlement to me!

My doctor, at my annual physical, announced that my blood sugar and blood pressure levels were too high (which I blame on the Baughman side of my heredity!) This resulted in significant changes in diet and lifestyle, and I am happy to report that I don't even miss the sugar (bald faced lie.)

We had a wonderful trip to Reading, PA this Thanksgiving, as we have for many years. This annual tradition gets richer and richer, and we are grateful for the family that God has given us! As my parents get older, my desire to live closer to them grows and grows. Of course, FACETIME is a wonderful thing, so we are able to connect better these days than ever.

We are looking forward to the year ahead, and we wish all of you a Merry

Christmas. We pray that the light of Jesus would illuminate our pathways and will bring peace to us all!

Much Love --
